It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious.

Research: Ornithology | AMNH

Charles Christopher "Bird" Parker, Jr (29th August 1920 - 12th March 1955) was a U.S. bebop saxophonist and composer. Early in his career Parker was dubbed Yardbird; this was later shortened to "Bird" (or sometimes "Yard") and remained Parker's nickname for the rest of his life, and inspiration for the titles of his works such as "Ornithology and Yardbird suite".
